

Endorsement No. 1–A, Form MA–316, prescribed in § 308.546, which limits the amount payable for loss to the actual bona fide pecuniary loss to the Assured, exclusive of any allowance for anticipated or accrued profits arising out of the insured venture.

§ 308.540 Premiums.

(a) *Rates.* Rate Schedules for war risk facultative cargo insurance will be published by the Maritime Administrator from time to time, and may be obtained from an Underwriting Agent. All Rate Schedules are subject to change by the Maritime Administrator without notice. If no rate is published for a voyage on which war risk facultative cargo insurance is available, the Maritime Administrator will name a rate through an Underwriting Agent upon application. Whenever an applicant for war risk facultative cargo insurance receives a definite rate quotation and desires to bind insurance at the quoted rate, an order to bind the insurance in accordance with the procedure set forth in this subpart should be submitted within two business days following the day of quotation accompanied by check or Money Order payable to the order of “Maritime Administration, Department of Transportation” for the full amount of the premium thereon computed on the amount to be insured at the rate set by the Maritime Administrator, or the quotation will expire.

(b) *Return premium.* Where goods are short-shipped, the amount of insurance may be reduced by an amount computed by applying to the original amount of insurance the proportion which the quantity of merchandise short-shipped (i.e., bales, barrels, tons, and other designations of quantity) bears to the total quantity of merchandise originally declared for insurance. Where more than one class of merchandise is insured under one policy (e.g., fuel, oil and gasoline) the reduced amount of insurance must be computed separately on each item. Where the amount of insurance is reduced, the Maritime Administrator will give consideration to requests for proportionate returns of premium. An application for the return of a premium must be submitted to the Underwriting

Agent in quadruplicate on Form MA–317, prescribed in § 308.547.

§ 308.541 Issuance.

(a) *Binder.* The Underwriting Agent is authorized to issue a facultative policy in Form MA–316, prescribed in § 308.545, when there has been presented to him a properly prepared binder on Form MA–315, prescribed in § 308.544, together with the payment of the premium as required, and such policy shall be issued as soon as possible after the binder form has been presented to the Underwriting Agent. Prior to the issuance of the policy, the Underwriting Agent is authorized to accept the risk on behalf of the Maritime Administrator by signing the binder. The Maritime Administrator will provide each Underwriting Agent with a supply of facultative policies which shall not be valid until countersigned by the Underwriting Agent. The Underwriting Agent shall keep a permanent record of all such policies and the Assured to whom the policy is issued.

(b) *Numbering.* Each Facultative Cargo Policy supplied to the Underwriting Agent by the Maritime Administrator shall be numbered by the Maritime Administration before it is supplied to the Underwriting Agent. No two numbers shall be the same. The Underwriting Agent when issuing the policy shall add at the end of the Policy number the agency number assigned to that Underwriting Agent, and where policies are issued by more than one office of an Underwriting Agent the issuing office shall also be identified in the policy number. For example, the policies issued by an office in New York will be designated “NY” and policies issued in San Francisco will be designated by “SF” prefixed to the Underwriting Agent’s agency number.
